1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer with the TCWS for the past 11 years.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

They received a rate increase last year to upgrade the system. The new rate increase is for modification of certain terms and conditions for the provision of water and sewer service. It sounds the same to me.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

I do not.
